

For an overview on contributions in poster sessions, please check also the conference abstract book

Poster Sessions 1: Thursday, May 7, 13.30-14.30

P 1.1: Approaches towards health promoting patient information and education & joint decision-making with patients

Venue: Room "Olympous"

Chair: Peter NOWAK (AT)

P 1 Patient education activities national survey in French hospitals (EDUPEF): Organisations, aims and methods

Cécile FOURNIER, Pierre BUTTET (BE)

P 2 Towards the implementation of a patient health education and awareness program, and evaluation of its impact on patients health habits

Simon DEBLOIS, Michèle DE GUISE (CA)

P 3 Towards the implementation of a patient health education and awareness program, and evaluation of the perceptions of health providers concerning the approach

Simon DEBLOIS, Michèle DE GUISE (CA)

P 4 Therapeutic education nurses' perception: A tool for implementation of patient-centred nursing

Monia PASQUINI, Lucia LUPETTI, Luciana TRABALLONI, Michele CRISTOFANO (IT)

P 5 A new innovative method for management and implementation of health promotion material in the health care system

Lovisa KARLSSON (SE)

P 6 A hospital-based therapeutic lifestyle program for women with metabolic syndrome

Tzu-Chuan HSU, Hui-Ting HUANG, I-Li LIU, I Chen LI, Cheng-Chuan LIU, Hei-Jen JOU (TW)

P 7 Introducing the "Your Health Your Way" education and training program to promote healthy eating habits among clients and personnel in a major teaching hospital

Paula ROZANSKI, Charles SOUNAN, Marie-Claire RICHER, Martin LAPOINTE, Marie-France NOEL, Stella LOPRESTE, Ann LYNCH (CA)

P 8 Preparation of an educational/information booklet on the management of enteral feeding for the use of patients and/or caregivers

Marina COLOGNA, Enrico TASINI, Licia SARTORI, Raffaella MORATELLI, Antonio COSTA, Francesca ZENI, Fabio PEDERZINI, Rosanna TABARELLI, Emanuele TORRI (IT)

P 9 Participation of patients in decision-making concerning treatment

Ryte GIEDRIKAITE (LT)

P 1.2: Early prevention by screening & health promoting maternity care

Venue: Room "Olympous"

Chair: Barbara PORTER (UK-NI)

P 10 A comparison of hospital-based and Van-based Community Pap Smear Screening

Li-Hui YU, Chuang-Mei HSU, Li-Chen FAN, Woan-Jen LEE (TW)

P 11 Implementing a computerized Cancer screening reminder system in the Outpatient Department of a Health Promoting Hospital: Experiences of Cardinal Tien Hospital Yung Ho Branch

Ling-Yu HUNG, Shu-Ti CHIOU, Ying-Ling KUO, Shu-Chuan YU, Li-Ching CHEN, Chun-Hui LEE, Sai-Hung TANG (TW)

- P 12 The feasibility of community integrated screening outreaching services conducted by community-based regional hospital**
Tang-Tat CHAU, Huan-Cheng CHANG, Shih-Tien HSU, Chuan-Fa HSIEH, Tony Hsiu-Hsi CHEN (TW)
- P 13 Health promotion in the maternity health centres – Client's, service system's and education organization's point of view**
Pia AHONEN, Anna TENHO, Paivi RAUTAVA (FI)
- P 14 Proactive approach of lactation clinic in breastfeeding promotion for the communities**
Kannika BANGSAINOI (TH)
- P 15 Maternal perceptions of breastfeeding support**
Jung-Chung FU, Yu-Chin YEN, Shioh-Erl SHIH, Hui-Fang HUANG (TW)
- P 16 A serene and amusing rendezvous with life**
P. PEDROTTI, G. POLIZZOTTI, M.A. FUMAGALLI, Alda MAGNI (IT)
- P 1.3: Health promotion for children and adolescents in & by hospitals (I)**
Venue: Room "Olympous"
Chair: James ROBINSON (UK-Scot, tbc)
- P 17 Improving empowerment of children and youth in hospital**
Nuria SERRALLONGA, Anna BOSQUE, M. Josep PLANAS (ES)
- P 18 Rights of children in the primary health care in Hungary - Implementation process of health promotion for children and adolescents**
Zsuzsanna KOVÁCS, Dóra SCHEIBER, Andrea VALEK, Ildikó ÁRKI, Éva MRAMURÁ CZ, Zsófia MÉSZNER (HU)
- P 19 Let's respect child rights: Let's make hospital a home!**
Luciano PINTO, Luigi Stella ALFANO, Maria Antonia DI LILLO, Gennaro BERNARDO, Fabio BORROMETI, Giampina GRIMALDI, Annamaria PINTO, Carlo MARANELLI, Antonio VITALE, Lino Claudio PANTANO, Alberto RAPONI, Raffaele SPIAZZI (IT)
- P 20 The utilisation of interactive learning for health promotion in an Irish acute paediatric hospital by CHIC**
Grainne DOWDALL, Lucy NUGENT (IE)
- P 21 Talking with parents of paediatric patients**
Nuria SERRALLONGA, Albert MOLTÓ (ES)
- P 22 Teenagers at the Emergency Room Open Day: A multidisciplinary approach which promotes the integration between hospital and territory in regards to emergency health education and minors' protection, and helps cooperation between public health service**
Maurizio POLI, Valentina QUADRI, Chiara OFFER, Flavia POLLINI, Massimo CRIPPA, Giorgio RICHIEDEI, Luana BELLERI, Maria NARDI, Sebastiano GUARNACCIA (IT)
- P 23 There's no harm in trying! Come and play sports with us! Promoting wellbeing and health to disabled children through sports activities**
Chiara TUNINI, Marina FAGANELLI, Elisabetta PONTELLO, Massimiliano STABILE, Renzo TOMBOLATO (IT)
- P 24 TokTok. The virtual children's community of Sant Joan de Déu Hospital**
Nuria SERRALLONGA, Noemé ROYES (ES)
- P 25 Massage intervention for promoting health in infants**

Daniela MATTIOLO, F. PROLO, Carlo Alberto TERSALVI (IT)

P 1.4: Developing cultural competence in hospitals & health services

Venue: Room "Olympous"

Chair: Antonio CHIARENZA (IT)

P 26 ASL of Bergamo Province (Italy): The integrated HPH experience for the migrant population.

Giuseppe IMBALZANO, Roberto MORETTI, Pierluigi MAFFIOLETTI, Bruno BODINI, Renato CORTINOVIS, Bernardini ANTONIO, Giorgio LOCATELLI, Giampiero RUSSO (IT)

P 27 Evolution towards migrant friendly health centers

Elvira MENDEZ, Mariana ISLA, Rosenda FERNANDEZ (ES)

P 28 "Benessere, bien etre, benestar, wellness"

Saverio DICOMMO, Patrizia BELTRAMI, Rosa COSTANTINO, Geraldina GUIDOTTI, Michela MONTI, Francesca SANDROLINI, Paride LORENZINI, Luana REDALIÈ, Gemma MENGOLI, Maria Grazia CIARLATANI, Lucia CLÒ (IT)

P 29 Exploring cultural diversity at two children's hospitals in Sydney, Australia

Les WHITE, Sharon CHALMERS, David BENNETT, Bruce LORD, John EASTWOOD, Astrid PERRY, Jill CRAWFORD (AU)

P 30 Cultural understanding and foreign users: Possible ways to improve the relation

Loredana CERULLO, Maria RAVELLI, Elisa MAZZINI, Cinzia GENTILE (IT)

P 31 Qualitative and quantitative tracking 2003-2008 of medical interpreting and cross-cultural communication at Bambino Gesù Hospital, Rome

Lucia CELESTI, Maria Cristina ROCCHI (IT)

P 32 Culture sensitive health education

Sonya BEUKES (ZA)

P 33 Intercultural mediation in the social and health services network

Sandra BOMBARDI, Matias DE LA CALLE, Paola ANTONIOLI, Paola CASTAGNOTTO (IT)

P 34 New European migrants and the NHS: A health staff training DVD

Dermot GORMAN, Caroline TOLAN, Grazyna FREMI, Filip SYCZYNSKI, Eleanor MCKNIGHT, Clifford BURDEN (UK-Scot)

P 35 Clinical cases and trans-cultural therapy: Training experience in the mental health dept

PIERA BEVOLO, A. ESPOSITO, A. COLONNA, M. FABIANI, A. PIFFER, B. PREDIERI (IT)

P 36 Haemophilia: An educational nursing project aimed at the Sinti community of the Reggio Emilia area (Italy)

Dimma VARINI, Cinzia GRADELLINI, Marco D'INCÀ (IT)

P 37 Transcultural birth care - Migrants giving birth in Austria

Anna Maria DIEPLINGER, Agnes SCHIESSER (AT)

P 38 The participation of vulnerable people to mammography screening programme: Technology and strategies for the same aim

Gianni SAGUATTI (IT)

P 39 Dealing with prostitution: A network of operators in Reggio Emilia experience

Maria Cristina GEMMI, Rossano FORNACIARI, Marina SPARANO, Claudia CROTTI, Noela NNEAMEKA, Giovanna BONDAVALLI, Francesca ANGELUCCI, Sara MAGNANI (IT)

P 1.5: Health promotion in mental health services & mental health promotion

Venue: Room "Olympous"

Chair: Rainer PAUL (DE)

- P 40 Integrated services to improve the life quality of people with special psychiatric needs in the Viljandi Hospital Foundation**
Kyllike HEIDE, Enno KASE, Rita KERDMANN, Urve TONISSON (EE)
- P 41 Education and shared-care between psychiatric hospital and social authorities concerning children living with mentally ill parents**
Lisbeth Koefoed JENSEN, Annette ANDERSEN (DK)
- P 42 Concerning children of parents with Major Depression**
Kirsten HANSEN (DK)
- P 43 Substance abuse among somatic patients: A strategy for treating harmful use of alcohol, intoxication and addiction in a somatic hospital setting**
Sverre NESVÅG, Espen Andreas ENOKSEN, Åse CHRISTIANSEN, Møyfrid Lode YNDESTAD, Anne Schanche SELBEKK (NO)
- P 44 Substance abuse among somatic patients - Hospitalization as an opportunity to discover the abuse, to identify and intervene. A model based on cooperation and liaison-services.**
Åse CHRISTIANSEN, Kjersti EGENBERG (NO)
- P 45 Psychological distress in cancer patients: A research in an Italian cancer hospital**
Barbara MUZZATTI, Chiara TUNINI, Ettore BIDOLI (IT)
- P 46 The Cancer Survivor Clinic: The first Italian multidisciplinary rehabilitation program for cancer survivors**
Barbara MUZZATTI, Katia BIANCHET, Lorena GIOVANNINI, Cristina AGUZZOLI, Umberto TIRELLI (IT)
- P 47 Effectiveness of the prenatal education model for ART pregnant women**
Kuo PI-CHAO (TW)
- P 48 Integrate for aid. Support the care giver net with disease in family.**
Fosco FOGLIETTA, Fernando ANZIVINO, Simonetta BECCARI, Erika GRANDI, Paola CASTAGNOTTO (IT)
- P 1.6: Health promotion for hospital staff (I) – identifying health risks**
Venue: Room "Olympous"
Chair: Zora BRUCHACOVA (SK)
- P 49 Sharing experience of setting up the first exposure control department in HPH in Taiwan**
Choo-Aun NEOH, Chao CHANG, Chia-Yu FAN, Li-Chen HSIAO, Teck-Siang TOK (TW)
- P 50 The interrelationship between the use of chemical substances in work environment and health impairment among nurses**
Vidmantas JANUSKEVICIUS, Paulius VASILAVICIUS, Audrius SPIRGYS (LT)
- P 51 First epidemiological data on the effects of exposure to risk from manual handling of patients, a sample of health workers serving in two hospitals of Imperia Health Authority (ASL 1)**
Teklà RUSSOM, Rosella BIANCO, Ivana PINI, Pinuccia MANGOLINI, Anna ONESTI (IT)
- P 52 A study on employees' sleep condition and quality in a public hospital in Taipei County, Taiwan**
Hsi-Che SHEN, Yu-Mei LU (TW)
- P 53 Exploring the related factors of liver health protection for hospital employees**
Hsi-Che SHEN, Yi-Nung PING, Yi-Chun HU (TW)

- P 54 Correlations between self-report on personal health and experience of negative acts at work experienced by nurses of healthcare institutions of Kaunas county**
Vidmantas JANUSKEVICIUS, Paulius VASILAVICIUS (LT)
- P 55 A crisis intervention training for nurses in the intensive care unit**
Anna Maria DIEPLINGER (AT)
- P 56 Influenza vaccination among health care workers: Addressing the barriers and promoting rates**
Ismeni SKOURTI (GR)
- P 57 Employment and HIV**
Angela BARTLEY (UK-Eng)
- P 58 Quality of life and factors that affect hospital personnel's health: A comparison study in hospitals of the Hellenic hospital network of health promotion**
Paschalina DIMITRAKI, P. PAPTAEODOROU, A. LIAKOU, N. ZAKOPOULOU, G. KONTOCHRISTOPOULOS, A. KATSAMBAS (GR)
- P 59 Exploring the needs and influencing factors of health promotion activities for hospital employees**
Hsi-Che SHEN, YI-Chun HU (TW)
- P 60 The Hellenic network of Health Promoting Hospitals promotes communication skills: A training workshop**
Dimitra PETANIDOU, Filippos T. FILIPPIDIS, Paulina PANTZOU, Yannis TOUNTAS (GR)
- P 61 Well-being and prevention project**
Paolo MASCAGNI, Franco TOFFOLETTO, Annamaria BIELLA, Stefania UNGARI, Annamaria GORINI, Sabrina FOSSATI, Roberta VITALUCCI (IT)
- P 1.7: Health promotion for hospital staff (II) – strengthening health resources**
Venue: Room "Olympous"
Chair: Tiiu HARM (EE)
- P 62 Creating a healthy work environment for quality of work life and employee performance**
Charles SOUNAN, Stella LOPRESTE, Marie-Claire RICHER (CA)
- P 63 Health promoting program for the improvement of the physical fitness and work stress of the hospital staffs**
Yu Chen FANG, Ming Lun TSAI, Ming-Nan LIN (TW)
- P 64 Bike to work**
Oliver WITTIG (DE)
- P 65 Exploring a teaching medical hospital employees physical fitness and the related factors in Taiwan**
Su-Yu LAI, Kuangh-Si CHANG, Shih-Tian HSU (TW)
- P 66 The work ability of an ageing workforce**
Eve PALOTU (EE)
- P 67 Ageing in health services workforce: A study on female workers**
Daniele TOVOLI, Rosa COSTANTINO, Paolo PANDOLFI, Andrea SPISNI, Carme VERRINA (IT)
- P 68 Health promotion - Starting from the hospital cafeteria**
Gladys WONG, Michael WONG (SG)
- P 69 Promoting Chinese medicine diagnosis "Know your own body character" to hospital staff for health promotion**

Choo-Aun NEOH, Lan-Yin HUANG, Li-Chen HSIAO, Teck-Siang TOK (TW)

P 70 Effective leadership for health promotion: Employees' participation and creativity are hospital strategic issues.

Yadollah HAMIDI, Sharif KAZEMI (IR)

P 71 Healthy life styles in a healthy workplace: Prevention of distress with a body-mind technique

Chiara TUNINI, Cristina AGUZZOLI, Loredana MACERA, Giorgio RIVARI, Antonia SORBELLO (IT)

P 1.8: Improvement of healthcare quality with health promotion (I) – strategic competition, quality management and patient satisfaction

Venue: Room "Olympous"

Chair: Felix BRUDER (DE)

P 72 Can health promotion enhance hospital strategic competition?

Hui-Ting HUANG, Yi Ching CHEN, Tzu-Chuan HSU, Mei-Chih WANG, KuoKuang YU (TW)

P 73 Does the hospital's membership of the network of HPH improve patient's satisfaction?

Egle KALINAUSKIENE, Violeta MAJAUSKIENE, Laima JANKAUSKIENE, Tautvydas JANKAUSKAS, Albinas NAUDZIUNAS (LT)

P 74 In-hospital patient survey improves patient satisfaction and department quality

Birka EHLERS, Imke GRONWALD, Johannes ALBES, Daniela ZACHARIAS, Elimar BRANDT (DE)

P 75 Patients' satisfaction with performance of medical staff at hospital

Grazvyde MASILIUNIENE, Tautvydas JANKAUSKAS, Irena MISEVICIENE (LT)

P 76 Factors which can improve elderly patient's orientation in a hospital

Laima JANKAUSKIENE, Egle KALINAUSKIENE (LT)

P 77 Ratios of cooperation and performance for strategic hospital networking within the Balanced Scorecard

Ralf DZIEWAS, Johannes ALBES, Daniela ZACHARIAS, Anke ZIMMERMANN, Robert LANGE, Elimar BRANDT (DE)

P 78 Logistic in hospital without walls - A project for health promotion for patients and staff members

Holger RAPHAEL, Bernhard F. HENNING, Volker MARTIN, Björn SCHMALENSTRÖER (DE)

P 79 The nursing home good reception protocol

R. CAPRIOLI, L. GAIO, G. GALETTI, I. PISONI, P. DEL BIANO

P 80 Keeping nurses' spirits high by giving a helping hand: Can a bibliographic research team do it?

Rolando BERGAMO, Elena BURZI, Karin HOLZHEU-ECKARDT, Giuliana ANZELINI, Antonio MAINI, Luisa FLAIM, Lorena IORI (IT)

P 81 Improvement of health care quality and accessibility by providing new services in Hospital of Kaunas University of Medicine

Tomas KUZMARSKAS (LT)

P 82 To wait or not to waste: How to make a smart use of time that patients spend in the emergency department

Enrico BALDANTONI, Maria Grazia ALLEGRETTI, Sandra CHIGHIZOLA, Fernando IANESELLI, Franca REFATTI, Emanuele TORRI (IT)

P 1.9: Reaching out into the community with health promotion interventions

Venue: Room "Olympous"

Chair: Evalill NILSSON (SE)

- P 83 The effect of encouraging jogging with health promoting strategy**
Li Chueh KAO, Cyong Ru HSU, Siou Ling JHONG, Ho Su HSIEH (TW)
- P 84 Nordic Pole Walking: A successful promotion story for prevention, therapy and wellness for the broadest segment of the population.**
Klaus SCHWANBECK (DE)
- P 85 Are you o.k. today? - 3 vegetables and 2 fruits education strategies**
Shan CHAO, Hui-Ping CHANG, Lin-Chung WOUNG (TW)
- P 86 Health meets culture**
Janine KRÜGEL, Susann BUSCH (DE)
- P 87 7-Eleven stores as blood pressure measuring station, an extension of health promotion beyond the hospital wall.**
Teck-Siang TOK, Choo-Aun NEOH, Cheng-Chih KAO, Li-Chen HSIAO, Yung Chung HSIAO (TW)
- P 88 Emotional literacy as an instrument of empowerment for freedom choices: An alliance between healthy sanitary services and schools**
Cristina AGUZZOLI, Chiara TUNINI, Marco BERTALI, Corrado CICCARELLA, Wally CULOT, Claudia DOMINGUEZ, Marco FRAGIACOMO, Flavio KOMAULI, Adriana MONZANI (IT)
- P 89 "Safely between home and work": A promotion campaign of safety on the road in Ferrara Teaching Hospital, Emilia-Romagna Region (Italy)**
Paola M. ANTONIOLI, Teresa MATARAZZO, Sandra BOMBARDI, Katia MONTANARI, Ermes CARLINI (IT)
- P 90 Evaluation of an outreach service for female sex workers in a sauna in Sheffield, UK: Outcomes and implications.**
Tarang SHARMA, Carolyn CZOSKI-MURRAY (UK-Eng)
- P 91 Multidisciplinary team for victim of sexual abuse from hospital to the community**
Rosa COSTANTINO, Massimo ANNICCHIARICO, Mariaclede GARAVINI, Sabrina IARLORI, Maria Caterina MANCA, Teresa MONTELLA (IT)
- P 92 A sustainable program of alcohol restraint in Zou, a Taiwanese aboriginal people**
Yuchen CHANG (TW)
- P 93 Founding and training the community volunteer group for visually impaired persons**
Lin-Chung WOUNG, Tsung-Yen WU, Ming-Tsu TSAI, Ching-Yao TSAI, Pesus CHOU (TW)
- P 94 Volunteer role and health promotion in care of people with Alzheimer's Disease (AD)**
Paul OLADIMEJI (UK-Eng)
- P 95 Effectiveness of collaboration with local people for health promotion in the community**
Mitsuhiko FUNAKOSHI (JP)
- P 96 A triennial experience of health promotion in "Comunità Montana Grand Combin"- Aosta Valley**
Silvio GIONO CALVETTO, Lindo FERRARI, Carlo POTI, Giorgio GALLI (IT)
- P 1.10: Working together for better health: Cooperation between different service providers**
Venue: Room "Olympus"
Chair: Cristina INIESTA BLASCO (ES)
- P 97 The role of public policy in health promotion - A comparative perspective**
Maria ASENSIO (PT)
- P 98 The new technologies for better information and prevention in healthcare**

Giuliana BRANDAZZI FILIPPAZZI (IT)

- P 99 A Study on the cooperative model of health promotion partners**
Ying-Ling KUO, Ya-Wen YANG, Tzu-Yun CHOU, Pei-Li CHANG, Hon-Kwong MA (TW)
- P 100 Prevention model for common national diseases in the Central Finland region**
Maria HALLMAN-KEISKOSKI, Nina PERÄNEN, Mauno VANHALA (FI)
- P 101 Quality and integration of multidisciplinary assistance to the people with ALS (Amyotrophic Lateral Sclerosis)**
Camelia Gaby TIRON, Paolo BUZZI, Carlo STURANI, Felice BIAGI, Marino MONDINI, Manuela CAMICIA, Dolores FRATI, Ilenia ZANARDI, Cristina TRAVENZOLI (IT)
- P 102 A new strategy for health promotion in community healthcare in Taiwan**
Shih-Tien HSU, Huan-Cheng CHANG, Tang-Tat CHAU (TW)
- P 103 Continuity and cooperation in health care services-HPH standard 5**
Carla BENA, Donatella BENETAZZO, Lorenzo BRUSA, Antonello CULOTTA, Maurizio GIONCO, Massimo LEPORATI, Patrizia MARTINOLI, Pierangelo NARETTO, Liliana PALA, Carlo PRASTARO, Gisella REVIGLIONE, Maria Chiara ROSSI, Paola SDERCI, Paola SGUAZZI, Anna TOSELLI, Marisa TOSO, Paola ZARINO, Angelo PENNA (IT)
- P 104 Statewide cardiovascular telemedicine networking improves quality and economical success of cardiosurgical departments**
Johannes ALBES, Thomas CLAUS, Detlef JARKE, Ronny WEISEMANN, Elimar BRANDT (DE)
- P 105 Care planning approach in promoting the health of people with diabetes in England**
Paul OLADIMEJI (UK-Eng)
- P 106 Discharge from hospitals: Results from a survey on Piedmont's regional health authorities and hospitals**
Angelo PENNA, Maria Grazia DE ROSA, Carla BENA, Carlo PRASTARO, Paola SGUAZZI, Paola ZAINA, Ida GROSSI (IT)
- P 107 Home hospitalization: Rationale for a multidisciplinary management in dysphagic patients**
Federico RUGGERI, Lorella MOZZONI, Patrizia ROCCHI, Mariano BARBERINI (IT)
- P 108 The integrated memory clinic based on patient centered**
Miao Yu LIAO, Pi Shan HSU, Chang Bor HOR, Kwoting FANG, Yuan-Nian HSU (TW)
- P 109 Management aspects of the hospital without walls - META project and Alzheimer's disease**
Dalibor PETRAS, Stefan PETRICEK (SK)
- P 1.11: Comprehensive organisational HPH approaches & designing health promoting settings**
Venue: Room "Olympous"
Chair: Oana GRÖNE (ES)
- P 110 ASL of Bergamo Province (Italy): A systematic approach to develop HPH in health structures.**
Giuseppe IMBALZANO, Roberto MORETTI, Rossana PICCINELLI, Rita MORO (IT)
- P 111 Implementing health promotion in hospitals: The role of the "Spedali Civili Trust, Brescia-Italy HPH office" in facilitating it**
Sebastiano GUARNACCIA (IT)
- P 112 Health promotion in Pirkanmaa Hospital District, Finland**
Juha AHONEN (FI)
- P 113 Application of HPH manual and self assessment forms in a university hospital**
Federico FARNETI, Renzo DEANGELI, Silvio BRUSAFERRO, Carlo FAVARETTI (IT)

- P 114 A global approach to provide good and healthy food in hospital**
Vincenzo SCARPATO, Elide PASCUTTINI, Renzo DEANGELI, Carlo FAVARETTI, Silvio BRUSAFERRO (IT)
- P 115 Health & nutrition: Healthcare models and system for an integrated prevention in HPH network**
Maria Grazia SILVESTRI, Anna Linda TOSELLI, Elena ARMONDI, Maurizio CREDALI, Maria Luisa DALLAVALLE, Martina DI PRAMPERO, Viviana LISCI, Giuseppe CAMMARANO, Giuseppe IMBALZANO (IT)
- P 116 Influencing employees' and visitors' eating habits through health promotion strategies**
Paula ROZANSKI, Charles SOUNAN, Marie-Claire RICHER, Marie-France NOEL, Martin LAPOINTE, Stella LOPRESTE, Ann LYNCH (CA)
- P 117 Study about health promotion and behavior modification of staff and patients after the establishment of health path**
En-Ping SU, Shu-Hua SHEN, Pei-Feng TSAI, Hsien-Jane CHIU (TW)
- P 118 Art Corner**
Ho-Chin CHEN, Po-Yen LIN, Chih-Feng LIN, Ming-Mei HUANG (TW)
- P 119 Training of HPH trainers amongst Italian networks**
Fabrizio SIMONELLI, Anna ZAPPULLA, Giorgio GALLI, Antonio CHIARENZA, Roberto PREDONZANI, Emanuele TORRI (IT)
- P 120 Proposing the Establishment Model of Entrepreneurship Centers in Medical Sciences Universities of Iran**
MANSOOR ZAHIRI (IR)
