

31ST INTERNATIONAL CONFERENCE ON
HEALTH PROMOTING HOSPITALS AND HEALTH SERVICES

CREATING SUSTAINABLE HEALTHCARE SYSTEMS
TO PROMOTE HEALTH, EQUITY AND RESILIENCE
IN TIMES OF GLOBAL CRISES

MAY 20-22, 2026
SLAGTHUSET, MALMÖ, SWEDEN

31st International Conference on Health Promoting Hospitals and Health Services

Conference program

May 20-22, 2026

Slagthuset, Malmö, Sweden

www.hphconferences.org/nc/malmo2026

International Network of
Health Promoting Hospitals
& Health Services

Program Overview – Satellite Events

Satellite events on Wednesday, May 20, 2026

10:00-16:00 GNTH Conference

Venue: The Vets Chamber (Veterinärskammaren)

Program Overview – Main Conference

The main conference on Wednesday, May 20, 2026

17:00-17:30 Formal Opening

Venue: The Theater (Teatern)

17:30-19:00 Plenary 1: Advancing Resilient and Sustainable Healthcare Systems: 40 Years of Health Promotion

Venue: The Theater (Teatern)

19:00-21:00 Welcome Reception

Venue: The South Hall (Södra hallen)

The main conference on Thursday, May 21, 2026

09:00-10:30 Plenary 2: Promoting Health Equity Across the Life Course

Venue: The Theater (Teatern)

09:00-17:45 Poster sessions 1

Venue: Restauranggången + Hanteverksgången

10:30-11:00 Coffee, Tea, Refreshments, Networking

Venue: Restauranggången + Hanteverksgången

11:00-12:30 Oral parallel sessions 1

Venue: see detailed information on the following pages

12:30-13:30 Lunch Break – Lunch Meetings

Venue: Restauranggången + Hanteverksgången

13:30-14:15 Mini oral parallel sessions 1

Venue: see detailed information on the following pages

14:25-15:45 Oral parallel session 2

Venue: see detailed information on the following pages

15:45-16:15 Coffee, Tea, Refreshments, Networking

Venue: Restauranggången + Hanteverksgången

16:15-17:45: Plenary 3: Anxiety for the Future, Mental Health and Stress Related Disorders: From Concern to Action

Venue: The Theater (Teatern)

19:30-22:00 Conference Dinner, Networking

Venue: Saluhallen at Slagthuset (conference venue)

The main conference on Friday, May 22, 2026

08:30-09:30: Plenary 4: Digital Innovation, Ethical Use of Technology and their Significance for Health Promotion

Venue: The Theater (Teatern)

08:30-15:30 Poster sessions 2

Venue: Restauranggången + Hanteverksgången

09:30-10:00 Coffee, Tea, Refreshments, Networking

Venue: Restauranggången + Hanteverksgången

10:00-11:00 Oral parallel sessions 3

Venue: see detailed information on the following pages

11:15-12:15 Plenary 5: The Importance of Partnerships for Sustainable, Equitable and Resilient Healthcare Systems – Challenges and Opportunities

Venue: The Theater (Teatern)

12:15-13:15 Lunch Networking

Venue: Restauranggången + Hanteverksgången

13:15-14:00 Mini oral parallel sessions 2

Venue: see detailed information on the following pages

14:10-15:10 Oral parallel sessions 4

Venue: see detailed information on the following pages

15:15-15:30: Conference Closing

Venue: The Theater (Teatern)

15:30-16:30 Farewell Refreshments

Venue: The South Hall (Södra hallen)

Program Details

Wednesday, May 20, 2026

17:00-17:30 Conference Opening

Venue: The Theater (Teatern)

Chair: Ralph Harlid (Chair of the International HPH Network, Co-Chair of the Scientific Committee, Former Coordinator of the HPH Network Sweden)

Welcome addresses by:

Ledia Lazeri (WHO Regional Adviser for Mental Health at the WHO Regional Office for Europe)

Stefan Schreck (Adviser, Directorate-Generale for Health and Food Safety, European Commission)

Erik Renström (Vice-Chancellor, Lund University)

Maria Berglund (Chair of the Skåne University Hospital Board)

Annika Mellqvist (CEO of Person-Centred Primary Care, Region Skåne)

Christina Dietscher (Chair of the Scientific Committee, Federal Ministry of the Republic of Austria for Labour, Social Affairs, Health, Care and Consumer Protection)

Ralph Harlid (Chair of the International HPH Network, Co-Chair of the Scientific Committee, Former Coordinator of the HPH Network Sweden)

17:30-19:00 Plenary 1: Advancing Resilient and Sustainable Healthcare Systems: 40 Years of Health Promotion

Venue: The Theater (Teatern)

Chair: Ralph Harlid (Chair of the International HPH Network, Co-Chair of the Scientific Committee, Former Coordinator of the HPH Network Sweden)

Keynotes:

40 years of Ottawa Charta on Health Promotion: Reorienting health systems for equity and empowerment - A vision still ahead of its time?

Ilona Kickbusch, Digital Transformations for Health LAB at the University of Geneva and Council of the World Health Summit in Geneva, Switzerland

Leading transformation of complex systems

John Holmberg, Chalmers Research, Gothenburg, Sweden

Healthcare workers' well-being: A value in its own right

Georg Bauer, Division of Public & Organizational Health and the Center of Salutogenesis, University of Zurich, Switzerland

Panelists:

Stefan Schreck, Adviser, Directorate-Generale for Health and Food Safety, European Commission

Margareta Kristenson, Professor emerita, Social Medicine and Public Health Science, Faculty of Medicine and Health Sciences, Linköping University, Sweden

Thursday, May 21, 2026

09:00-10:30 Plenary 2: Promoting Health Equity Across the Life Course

Venue: The Theater (Teatern)

Chair: Shu-Ti Chiou (Health and Sustainable Development Foundation, International HPH Network – Task Force on HPH & Age-friendly Health Care, International Union for Health Promotion and Education)

Keynotes:

Social Justice and Health Equity

Sir Michael Marmot, UCL Institute of Health Equity, United Kingdom

Equity from the Start: Lessons from Finland's Neuvola System

Reija Klemetti, Ministry of Social Affairs and Health, Finland

Social prescribing for healthy ageing for older persons

Katsunori Kondo, Center for Preventive Medical Sciences, Chiba University, Japan

Panelist:

Hans Verrept, HPH-Task Force on Migration, Equity and Diversity, Intercultural Mediation and Policy Support Unit, FPS Health, Belgium

09:00-17:45 Poster sessions 1

Venue: Restauranggängen + Hanteverksgängen

P1.01 Climate-resilient and environmentally sustainable healthcare

- 002 Efforts to Reduce Greenhouse Gas Emissions in a Medical Corporation; Twelve Years of Achievements and Challenges**
Chisato Tamaki, Mitsuharu Kanikawa
- 004 Stakeholder Perspectives on ESG Issues in Hospitals: Insights for Sustainable Healthcare Development**
Yi-Shiuan Chen, Yi-Syuan Shih, Shih-Hua Chen, Chien-Min Huang
- 005 The Global Healthy Hospital Food Network: A Multidisciplinary and International Alliance for Healthier and Sustainable Hospital Food Systems**
Evelyn Medawar, Nanine Wyma, Colette Fox, Shireen Kassam, Heidi Fritz, Katie Cantrell
- 007 From Efficiency to Sustainability: Lean Transformation Strategies for a Green and Resilient Regional Hospital**
Chin Wen Wu, Hsiu Shan Chen, Szu Yu Chen, Yung Hung Chen
- 008 Research on Financial Process Optimization - Exploring the Impact of Transformation on Employee Performance**
Mingyi Tang
- 009 The Impact of Middle and Senior Management Traits and Adaptive Capability on Sustainable Innovation in Hospitals**
Ruri Mineda, Ying-An Chen, Hsing-Hua Stella Chang
- 010 Implementing a Smart Attendance System Using Microsoft 365: Efficiency and ESG Sustainability**
Meng-Xiu Wu

- 012 Heat related stressors in psychological care during heatwaves – Findings from the PARAHSOHL-Project**
Andrea E. Schmidt, Katharina Dinhof, Sophia Spagl
- 013 Toward Sustainable and Inclusive Healthcare: Implementing Health Promotion in Practice**
Peiling Shao, Tzuying Chao
- 014 Health-Promotion–Oriented Lean Model for Sustainable Healthcare Waste Management**
Yun-Hsi Chen, Wen-Jui Feng, Po-Wen Shih
- 015 Analysis of Indoor Sustainable Energy Management Strategy After Core HVAC Replacement in a Health Promoting Hospital**
Hsin-Yi Lien, Chen-Ting Chang, Ching-Yao Tsai
- 016 How to empower staff to built sustainability healthcare in hospital**
Chien-Min Huang
- 017 Domain-Based Analysis of Employee Green Behavior to Strengthen Sustainable and Health-Promoting Hospitals**
Anggy Febiarthy, Deni Purnama, Nita Putu Juwanita, Deden Herlan Suangsa, Novi Nur Fatmawati

P1.02 Tobacco, substance use, and addictive behaviors

- 018 Enhancing the Effectiveness of Inpatient Smoking Cessation Referral Services through Multidisciplinary Intervention Strategies**
Yan-Ling Shen, Pin-Shu Huang, Ching-Ping Hsu, Wei-Hsin Huang
- 020 Long term work with smoke-free outdoor environments in the health care sector in Region Östergötland, Sweden**
Elin Glad, Linda Karlsson
- 021 Interactive Effects of Smoking Behavior on Gut Microbiota Composition and Biochemical Parameters in Healthy Adults**
Kuang Chieh Hsueh, Ling Chen, Yu Han Hsueh
- 022 Depressive Symptoms and 1-Year Relapse Risk Among Participants of Inpatient Smoking Cessation Treatment in Korea**
Seung Eun Lee, Chul-Woung Kim, Ji Eun Bae, Won Kyeong Kim
- 023 Creating a Smoke-Free and Health-Promoting Workplace Guided by the Ottawa Charter: Experience of a Regional Psychiatric Hospital in Taiwan**
Shu-Hua Shen, Chia Hui Wu
- 024 Effectiveness of AI-Based Surveillance and Multi-Modal Interventions in Strengthening a Smoke-Free Hospital Environment: A Regional Hospital Case Study in Northern Taiwan**
Hsiao Yi Liang, Hsiao Ping Lee, Yu Hua Chen
- 027 A Health Promotion Oriented Smoking Cessation Service Model: Practical Experience from a Smoke Free Hospital**
Su-Ying Wen, Ching-Yao Tsai
- 028 A Study on the Effectiveness of Smoking Cessation Using a Multi-Strategy Health Education Approach at a Health Hospital in Southern Taiwan.**
Mei-Yen Chang, Wan-Ting Wang, Min-Yi Lee, Fong-Dee Huang

P1.03 Food, nutrition, and healthy diet

- 029 From the Dining Table to Preventive Medicine: The Role of Nutritional Intervention in Geriatric Frailty**
Juncheng Yin
- 030 Proactive Nutritional Interventions for Pressure Injury Prevention in High-Risk Patients**
Chih-Kai Yang, Huang-Yu Chang, Ling-May Li, Yi-Hsin Tsai, San-Chi Lin
- 031 Designing Diets for Mastication and Swallowing Difficulties Using the International Dysphagia Diet Standardisation Initiative (IDDSI) to Improve the Quality of Hospital Meals**
Jiyuen-Tieng Chen, Shu-Chi Lin, Meng-Han Hong, Hsiao-Jung Tsai, Hsein-Lin Wu, Tzoo-Guang Young, Wei-Wen Lin, Chin-Yao Lin
- 032 The Effect of a Mediterranean Diet Board Game on Older Adults' Health Literacy**
Meng-Fang Li, Chen-Wei Wang
- 033 Frail Health Examination at Clinic A - Focusing on the Prevention of Low Nutrition**
Ryoko Kawakami, Mayumi Inamura, Hisashi Nobusawa
- 035 United for metabolic health — A healthy Taiwan begins at Fengyuan Hospital**
Yu Lin Yu, Yu Ling Lin, Hui Chaun Chiang, Yung Heng Lee
- 037 Analysis of the Effectiveness of Healthy Eating Lectures on Overweight Employees**
Yu-Fen Liang, Hsin-Ting Yu, Jung-Hsun Wang

P1.04 Arts and culture in health promotion

- 039 From Secular Ritual to the Talking Garden. When culture, art, and spirituality promote health. A hospital opens its green spaces to the community in times of global crisis.**
Pino Fiumanò, Simona Dal Corso, Franca Dall'Occo, Maria Carmen Azzolina, Claudio Tortone, Graziella Costamagna
- 040 Building a People-Centered Healthy Workplace in a Church Hospital through an Integrative Caring Strategy.**
Meng-Ting Kuo, Ching-Yu Lin, Kai-Wei Hsieh, Cheng-Ren Chen
- 041 Enhancing Patients' Spiritual Well-being through Art-Based Group Spiritual Health Education: The Example of a Cancer Chemotherapy Ward**
Li-Chun Huang, Ruei-Yi Pan
- 044 Wellness Museum: healing paths through Art and Culture**
Alda Cosola, Cristina De Stefani, Luca Pejrolo
- 045 Promoting a friendly work environment through art therapy**
Shih-Ling Huang, Wen Huey Tsai
- 046 Creative Arts as a Buffer: The Immediate Effects of a Single-Session Guided Doodling and Sharing Workshop on Resilience and Emotional State in Head Nurses**
Chik Yi Chan, En Tzu Lin, Chih-Ting Tseng
- 047 Humanizing Care through Arts and Culture at the "Michele e Pietro Ferrero" Hospital of ASL CN2**
Daniela Alessi, Erica Moretto, Giuseppina Viola
- 350 The Heritage of Care: Caring for Healthcare Heritage**
Paola Cosola, Mariateresa Dacquino, Carolina Pelazza, Mariasilvia Como, Antonio Maconi

P1.05 Salutogenic, safe and healthy workplaces and care settings

- 049 Using multiple strategies to reduce compassion fatigue in intensive care unit nurses**
Chen Hui Man, Li Sih Ying, Kuo Han Lin, Lin Yi Shan, Hsieh Yu Ho, Chen Yen Yi
- 050 Using multiple strategies to improve the accuracy of cleaning staff in preparing bleach**
Hsiao-Chun Liu, Te-Hui Huang, Shu-Chiung Lee
- 051 From Burnout to Belonging: Digital Innovation for Healthcare Worker Wellbeing and Organizational Resilience**
Yi Hua Lin, Kun Rong Li
- 052 Effectiveness of Health Promotion Interventions on Reducing Psychological Stress, Fatigue, and Musculoskeletal Pain Among Healthcare Workers.**
Mei-Hua Yeh, Chun-Che Chen, Ming-Tsu Tsai, Fen-Fen Huang, Bao-Chy Chang
- 053 Building Nursing Resilience through the “Five-H” Spirit: A Case Study of the Obstetrics and Gynecology Ward**
Shu-Chen Wang, Ya-Lun Tsai
- 054 A Smart-Technology-Based Multi-Level Circuit Training Intervention for Workplace Obesity and Health Promotion.**
Mei-Hua Yeh, Chun-Che Chen, Ming-Tsu Tsai, Fen-Fen Huang, Bao-Chy Chang
- 055 Exploring the Current Status and Associated Factors of Occupational Fatigue Among Operating Room Nurses**
Hui-Ju Yang, Su-Fen Tseng
- 056 Smart Knowledge Management and Digital Communication: Driving Employee Club Formation and Workplace Health Culture Construction in Health-Promoting Hospitals**
Yi-Ting Huang, Chu-Ching Hsu, Fang-Jiun Lin
- 057 A multi-faceted strategy to reduce admission time to the medical ICU**
Chin Yi Chou, Ya Wen Sung, Xuan Chou, Pi Chen Chu, Yi Chun Huang
- 058 Fall Prevention Strategies for Hospitalized Patients with Dementia, Cognitive Impairment, or Delirium**
Li-Chin Chen, Chien-Min Chen, Xi-Yu Yu, Yi-Jun Zhou, Ying-Chao Lin, Pao-Yu Chuang, Jih-Shuin Jerng

P1.06 Health promotion for socially disadvantaged groups

- 062 Integrated Health Promotion Model to Enhance Metabolic Risk Detection and Reduce Health Inequities**
Peijung Cheng, Shuhua Shen
- 063 Cross-Cultural Challenges and Collaborative Practices in the Treatment of Extrapulmonary Tuberculosis Among Female Migrant Workers: A Narrative Inquiry from Taiwan**
Yu Hui Huang, Qian Cui Huang, Peggy Xu
- 064 “Homeward Project”: Hospital–Community Partnership for Safe and Independent Living of Vulnerable Patients**
Jong Hoon Lim, Joo Jeong
- 065 Understanding vaccine hesitancy and acceptance to improve vaccine uptake among various social groups**
Mariam Hassan, Adam Mitchell, Malin Inghammar, Jonas Björk, Louise Bennet

- 066 A Preliminary Investigation of Family Adaptation Processes and Supportive Needs among Cochlear Implant Recipients: A Medical Center Case Study**
Chia-Chen Yeh, Li-Nien Han
- 067 Depression and executive dysfunction in people living with HIV: A neuropsychological study in Taiwan**
Pei-Ju Cheng, Min-Wei Huang, Nai-Wen Guo, Fong-Dee Huang, Shang-Yi Lin, Tzu-Chao Lin, Min-Han Hsieh, Chih-Chieh Chang, Sung-Jung Hsieh
- 069 Equity-Driven Clinical-Community Model Improves Treatment Completion Among Vulnerable TB Patients**
Tzu Chieh Lin, Tsai-En Hsien, Li-Hua Chen
- 070 Using Generative AI to Build a Cross-Cultural Postoperative Care Model for Migrant Workers**
Wung-Ping Shun, Jia-Min Wu, Yu-Shi Ye
- 071 Building a Social Reintegration Support Model for Young Disabled Patients**
Wan-Chun Yang, Jia-Min Wu, Yu-Shi Ye
- 072 Optimizing the IGRA Specimen Transport Process for Latent Tuberculosis Infection to Reduce Indeterminate Results: Enhancing Outsourced Service Quality and Patient**
Pei-Yu Li, Yu-Hui Huang, Hsiu-Chuan Chien, Mei-Chu Lai

P1.07 Community-based health promotion interventions

- 074 Insights into Community-Based Occupational Therapy for Aging Populations : Taiwan New Taipei City Hospital Public Health Project Experience**
Chao Jung Chen
- 075 Ten-Year Trends in Community Health Education Needs and Satisfaction: A Case Study of a Regional Hospital in Southern Taiwan**
Yi-Fen Hu, Chien-Chi Chou, Wen-Ho Huang
- 076 Targeted Health Dialogues in Primary Care: Early Results from a Region-Wide Cohort in Sweden**
Emelie Stenman, Beata Borgström Bolmsjö, Peter Nymberg, Veronica Milos Nymberg, Anton Grundberg, Kristina Sundquist
- 077 From Government Health Policies to Local Actions: Innovating New Approaches in Health Communication**
Ling-Ling Liao, Wen-Xiu Chen, Wen-Chin Liou, Ping-Chang Lai
- 078 Prevalence and Associated Risk Factors of High-Risk Diabetes Groups Identified by Community-Based Blood Glucose Screening in a Specific Area of Taiwan.**
Yi-Ting Tsai, Yu-Ching Li, Chia-Wen Lai, Hui-Ching Lin, Pei-Jun Lin
- 079 Strengthening Health and Community Resilience in the Post-Crisis Era: An Exploratory Study of a Dementia-Friendly Community Support Model**
Chia Ying Huang, Wen Chien Lee, Fong Dee Huang, Min Yi Lee
- 080 Enhancing Community Dementia-Friendly Awareness Through Film and Simulation**
Shu-Lin Chen
- 081 Long-Term Commitment to Community Health: A Decade of Hospital Participation in the Seongnam Citizens' Health Expo (2014-2025)**
Heungrae Cho, Joo Jeong
- 082 Target health dialogues in Skåne, Sweden**
Emma Appell, Johanna Jaran

- 083 Toward sustainable wellness: Integrating cultural identity and health promotion in an indigenous weight loss program**
Cheng-Wei Wang, Xin-Yu An, Pei-Chi Chan, Chung-Hsien Liu
- 085 Enhancing Rural Health Equity Through Community Shuttle Services: A Health-Promotion Model With Social Return on Investment (SROI) Analysis**
Wen-Jui Feng, Yun-Hsi Chen, Wei-Mao Ou, Yen-Sheng Huang, Chun-Kuo Su
- 086 Strengthening Community Outreach Through Partnership with Local Organizations**
Kaoru Ishibashi
- 089 Nature-Based Activity on Prescription**
Iwona Jacobsson
- 090 Transforming Heart Failure Care Through Health Promotion: Engaging Patients, Healthcare Workers, and Community Members in Sustained Behavior Change**
Shihyun Hung
- 091 Extending Hospital Services into the Community: A Dual Vaccination Model for Older Adults**
Yi-Ting Tsai, Yu-Ching Li, Chia-Wen Lai, Hui-Ching Lin, Pei-Jun Lin

P1.08 Well-being of healthcare workers

- 092 Establishing Infrastructure and KPIs on the Friendly Workplace in Public Hospitals in Taiwan**
Meng-Chih Lee, Miao-Yu Liao, Yuan-Der Huang
- 094 Health Promotion, Nursing Advancement: Creating a Salutogenic Workplace for Nurses**
Chiung Fang Hsueh, Chia Hui Su, Shu Fen Chen, Chia Lun Lee
- 098 Effectiveness of an Eight-Week Employee Weight Reduction Program in Enhancing Health Awareness**
Hsun-I Lu, Ling-Yu Hung, Chiu-Hua Huang, Kai Bon Ng
- 100 Enhancing Employees' Work-Life Balance Through Employee Assistance Programs: A Case Study of a Faith-Based Hospital**
Hui-Lan Huang, Hsiu-Hui Shen, Miao-Hui Tsai
- 101 Exploring the Effectiveness of Technology-Based Interventions in Employee Weight Management and Health Promotion**
Chia Hui Wu, Shu-Hua Shen
- 102 Move & Meet Together: A 12-Week Lifestyle Medicine Challenge Reducing Cardiometabolic Risk in High-Risk Hospital Staff**
Sieh Siang Lee, Ting Chien Lai, Yan Jen Chen
- 103 Enhancing Staff Well-Being and Patient Safety: The Moderating Role of Self-Esteem between Professional Commitment and Reporting Intention**
Yun-Hsi Chen, Wen-Jui Feng, Po-Wen Shih
- 104 BENVIVERE – MICHELA GAMBAIANI - Promoting health and well-being among workers at the ASL TO3 local health authority.**
Maria Chiara Giagu, Filomena Greco, Alda Cosola
- 109 Impact of Workplace Health Promotion Interventions on Employees at High Risk for Metabolic Syndrome**
Jin-Lien Lai, Yi-Ying Hsieh, Hui-Ying Lin, Jyun-Hong Chen

- 110 Streamlining Discharge: A Resilient Strategy for Reducing Staff Burnout and Enhancing Organizational Flow**
Ling Ling Liu
- 111 Nursing Retention for Workforce Integration and Sustainable Healthcare System Management: Experience from a Southern Medical Center in Taiwan**
Shu-Chuan Wang, Chia-Chi Pai, Hsueh-Yun Hsiao, Yi-Hsuan Lin, Ping Tao, Bor-Hwang Kang, Nain-Feng Chu
- 112 From Burden to Lean: Enhancing Nurse Well-being via ECRS Optimization in Pap Smear Specimen Packaging**
Yi-Ching Chen, Jyun Ruei Liang, Ling-Hui Su, Chia-Ping Liu
- 113 Healthy Workforce as the Cornerstone of Corporate Sustainability: A Case Study of Hualien Tzu Chi Hospital in Eastern Taiwan**
Mei-Hui Shi
- 114 Evaluation of the “Golden Workforce Program” for Post-Retirement Continuity: A Case Study in Eastern Taiwan**
Mei-Hui Shi
- 115 Extending Careers of Middle- and Older-Aged Employees through Job Redesign and High-Tech Health Screening: A Case Study in Eastern Taiwan**
Hsiao-Yu Liu, Shi-Mei Hui, Yi-Fang Li

P1.09 Health workforce practice and training

- 141 Comparing the Relationships Among Academic Resilience, Learning Self-Efficacy, and Academic Self-Efficacy in Nursing Students with Different Levels of Nursing Learning Self-Efficacy**
Shuenn-Jiun Yiin, Jyh-Chong Liang, Chi-Liang Chern
- 143 Implementation Process and Interim Outcomes of the CBME Training Model in a Regional Teaching Hospital in Taiwan**
Yu Chen Huang, Huang Cheng Tseng,
- 145 A New Perspective on Medical Leadership-Promoting the Clarity of PGY Physicians' Clinical Professional Identity through Mentor Sharing Sessions**
Hui-Yueh Liu
- 146 The results of the nursing newcomers' technical competency assessment are positively correlated with their clinical retention rate**
Tzu-Wei Tseng, Pai-Yu Huang, Chia-Wen Lu, Pei-Chi Shen, Mei-Chuan Wu, Hsiang-Ying Hung
- 148 Reduce the missed injection rate of insulin pen in diabetic patients**
Chi-Chun Hou, Hsin-Yi Lo, Ling-Ting Huang, Ming-Chuan Hsieh, Chin-Hui Wang, Li-Na Wang, Mei-Lien Liu, Mei-Hui Hsieh
- 149 Improving Patient Safety: Multidisciplinary Strategies to Reduce Nasogastric Tube Dislodgement in Hospitalized Patients**
Chien-Wen Hung, Li-Lin Hsieh, Mei-Yueh Tsai
- 150 A Study on the Work Self-Efficacy of Clinical Nurses**
Mei-Yueh Tsai
- 151 Translation and Validation of the Taiwan Version of the Quiet Quitting Scale among Nursing Professionals**
Yu-Shan Lin, Yu-Ling Chang, Hui-Ling Hsieh, Hung-Ju Chen, Tsun-Mei Chiu

- 152 Establishing a Perioperative Pressure Injury Prevention and Data Framework to Enable Future AI-Supported Safety in a Tertiary Medical Center**
Chun-Chen Lin, Fan-Hao Chou
- 154 Development and Evaluation of an Educational Program to Enhance Nursing Competency in Caring for Patients with Hypertriglyceridemia-Induced Acute Pancreatitis Undergoing Therapeutic Plasma Exchange in a Gastroenterology Ward**
ChingJu Li
- 155 Safety Culture from the Perspective of Employee Psychological Safety: Effects of Safety Climate and Knowledge Sharing on Safety Behavior**
Wen-Jui Feng, Yun-Hsi Chen
- 158 Quantifying Emergency Nursing Workload to Support Workforce Sustainability and Patient Safety**
Chun-Yi Yang, Chin-Ju Liu, Wan-Yin Xu, Pei-Hsuan Yang, Wang-Ling Jee
- 159 Evaluating the Impact of the Project-Based Learning Program on Government-Funded Medical Students' Willingness to Serving Remote Areas**
Mei-Miao Chiu, Chao-Feng Lin, Lee-Ching Hwang
- 160 Nursing Improvement Strategies for Anesthesia and Analgesic-Related Delirium**
Zhu-Yu Yen, Jia-Min Wu, Yu-Shi Ye, Hung-Yi Hsu
- 161 Self-Efficacy and Training Needs for Fire Emergency Response Among Nurses: A Cross-Sectional Study**
Bey-Jing Yang, Fei-Hsiu Hsiao, Shang-Yi Lai, Chung-Yi Shen, Cheng-Heng Liu, Ming-Ju Hsieh
- 162 Implementing diverse strategies to improve clinical instructor teaching ability.**
Min-Chi Lee, Pin-Fang Yin, Yu-Hsuan Ou
- 163 Mentoring as a Driver of Service-Oriented Organizational Citizenship Behavior in Long-Term Care Environments**
Shu-Hui Wu, Jun-Zhi Chiu, Fong-Dee Huang
- 164 Improving Pediatric Nurses' Usage Frequency of Voice Recognition Technology for Nursing Documentation**
Chiung-Wen Chi, Qiao-Xuan Chen, Ju-Lan Chin, Hsiao-Lan Chia, Chiu-Yueh Lee

P1.10 Access to healthcare services and information

- 117 The Travel Clinic as a Health Promotion Hub: Varicella Seroprevalence and Vaccination Opportunities in Taiwan**
Kunhong Li, Yu-Fen Liang
- 118 Use of Multiple Strategies to reduce medication errors in outpatient clinics**
Hui-Min Chen, Yu-Chen Tsai
- 119 SAFE Call (Support AFter ER): A Telephone Follow-up Program for Discharged ED Patients**
Jungyeon Lee, Kyungseok Park, Chang Seob Jang
- 121 Enhancing Shared Decision-Making in Diabetes Nutrition Education Through an Online Platform**
Hsiao-Jung Tsai, Jiyuen-Tieng Chen, Shu-Chi Lin, Yi-Hsin Lin, Chih-Hsung Huang, Hsiao-Ling Su
- 124 Medication Counseling Service in Liver Transplant Outpatient Clinics: A Pharmaceutical Care Analysis**
Yu-Shing Chen, Wen-Yuan Chen, Yen-Yu Hsieh, Shuo-Min Hsu

- 125 Strengthening Medication Safety and Health System Resilience in the Post-COVID Era: Cross-Institutional Monitoring and Health Promotion Practice in Antiviral Therapy for a Liver Transplant Patient**
Yu-Fen Hsieh, Wei-Chou Hung, Yuh-Ying Yang, Hui-Ju Yang
- 127 Survey Results on Patient Perceptions of Regional Collaborative Pharmacies in Japan**
Noritake Hirota, Katsumi Suezawa, Yuko Yoshioka
- 128 Evaluation of the Effectiveness of Implementing Shared Decision-Making in the Department of Metabolism**
Yu Lien Liu, Wei Chun Ma, Hui Chaun Chiang, Yung Heng Lee
- 129 National Health Systems and Their Relation with Access, Quality, Financial Risk, and Workforce Equity**
Felix Ortiz-Baez
- 130 A Quality Improvement Project to Reduce Peritonitis Incidence in Peritoneal Dialysis Patients**
Huenwei Jang, Shuhui Jang
- 131 The effects of integrated outpatient services for people with disabilities**
I-Hsiu Liou, Yu-Te Lin, Sheng-Hui Tuan, Shu-Fen Sun, Yu-Tzu Yang, Wan-Yun Huang
- 133 Enhancing Admission Efficiency and Optimizing Nursing Workload Through a Centralized Admission Model**
Yu-Ping Chang, Chia-Chen Hsu, Lu-Wen Chuan, Chin-Ying Li
- 134 Advance Decision Signatures and ACP Awareness in Taipei and New Taipei City: A Three-Year Review (2022–2024)**
Chia-Yun Hsu, Hsin-Lung Chan, Mei-Yu Lee, Chi-Feng Lin, Hsin-Hui Lin
- 137 Developing Health Screening and Hypertension Campaigns Through Short-Form Video Engagement**
Kuesook Kim, Jihyun Ahn, Hyeok Lee, Changyoung Park, Seungho Back, Keehyoung Lee

P1.11 Governance, policy, and leadership for HPH

- 165 Enhancing Staff Well-being and Service Quality through Administrative Process Streamlining: A HPH Case Study of a Regional Hospital**
ShiaoLan Tang
- 166 Improving Hospital Culture through Teamwork: The Role of Anesthetic Nursing in ERAS for Orthopedic Surgery**
Wan Chin Shih
- 167 Integrating the United Nations Sustainable Development Goals (SDGs) into Health Promoting Hospitals: Evidence from Taiwan's Healthy Hospital 2.0 Certification**
Ching-Cheng Lin, Szu-Yu Chen
- 169 Applying Quality Management Methods to Optimize Integrated Information Systems: Enhancing Tax Classification Accuracy for Diversified Hospital Revenues through Governance-Oriented System Redesign**
Yitsen Ko, Jing-Han Li, Hung-Jen Liao, Chia-Ying Tsai
- 170 Reorganizing the Working Groups of the Catalan HPH Network to Strengthen Health Promotion**
M. Isabel Arébalo Masero, Montserrat Boqué Cavallé, Sílvia Carbonell Palau, Maria Àngels Fernández Labrada, Neida Fernández Benages, Raquel Gutierrez Grau, Miguel Angel Martínez Sanchez, Gemma

Navarro Rubio, Rocio Ibañez Avila, Anna Jover Moreno, Dolors Juvinyà Canal, Rosa M. Simón Perez, Mireia Vicente Garcia

171 A Typology of Health Promotion and Prevention in Decentralized Primary Care

Sécolène Malengreaux, Lucie Jacquemart, Benoit Pétré

172 Enhancing the completeness rate of handovers for mobile medical teams in residential long-term care facilities

Wen-Chieh Chen, Su-Fang Huang, He-I Chiang, Hsiao-Ling Cheng, Jia-Chi Fu

173 The effect of establishing discharge systems and support for ineligible long-term inpatients

Dong Won Lee

11:00-12:30 Oral parallel sessions 1

Venue: see detailed information on the following pages

01.01 Climate-resilient and environmentally sustainable healthcare

Venue: Slagt 1

Chair: Hanna Glock

Standards for climate resilient, environmentally sustainable, and health promoting hospitals

Monika Simek, Birgit Metzler

Strategies for improving Energy Resilience for healthcare - without burning down the planet

Walter Vernon

Building Organizational Resilience and Backup Capacity in Hospitals

Chi-Feng Lin, Meng Han Tseng

Operating Room Information System (ORIS) Enables Intelligent Management for Sustainable and High-Quality Hospital Operation: A Newly Established Hospital's Experience

Chia-Lun Lee, Wen-Tsung Tsai, Chiung-Fang Hsueh, Shie-Tsung Chen

How Can TMUH Enhance Residents' Health Autonomy and Disaster Resilience in Remote Areas of Taiwan by Using AI,BI,Apps,Telehealth,and Mobile Clinics?

Yin-Huan Wu, Chung Ying Lu, Lin Chien Hui, Chang-Hsien Lin

01.02 Equity and complex care pathways

Venue: The Vets Chamber (Veterinärskammaren)

Chair: Anna Unne

Determinants and Experiences Influencing Nursing Home Placements: A Meta-Ethnography

Thomas Findling, Yasmin Gruze, Sandra Mack, Manuela Hoedl

Toward sustainable and equitable end-of-life care: A nationwide analysis of hospice ward utilization and expenditures in Taiwan

Ariel Chang-Yu Wu, Chi-Jeng Hsieh, Chih-Dao Chen, I-Po Lin, Yi-Horng Lai

The Path to End-of-Life Equity for People with Disabilities: Safeguarding Medical Autonomy and Establishing a Community-Based Palliative Care Model

Ching-Hui Chung

Network Knowledge of Health Promotion at HPH Catalunya

Maribel Arévalo, Silvia Carbonell, Neida Fernández, Raquel Gutiérrez, Gemma Navarro, Rocio Ibañez, Dolors Juvinyà, Rosa Simon, M^aÀngels Fernández, Anna Jover

Integrating the CUP Model and Hospice-Focused Palliative Outcome Index (HFPOI): Building Institutional Compassion and Equity-Based Governance in Palliative Care

Chun-Kai Fang

Real-world data on Factor V Leiden in Sweden: a nationwide family study

Emina Curic, MirNabi Pirouzifard, Jan Sundquist, Kristina Sundquist, Bengt Zöller

01.03 Health-literate healthcare organizations

Venue: The Theater (Teatern)

Chair: Christina Dietscher

Educational material on health promoting interactions: A collaborative initiative

Maria Linderström, Elinor Aronsson, Emma Forsgren

A qualitative study examining healthcare professionals' experiences of promoting health literacy in migrant women after childbirth

Marie Jubran Leksell, Ulrika Müssener, Kajsa André, Pontus Henriksson, Josefin Wångdahl

Examining barriers and enablers in the implementation of health-promoting principles in the physical environment of European healthcare facilities

Lusi Morhayim, Maja Kevdzija, Anahita Sal Moslehian, Keriin Katsaros, Peyton Fort, Elke Miedema

Limited critical and communicative health literacy is related to poorer health among older adults: Implications for research and practice.

Pias Svensson, Josefin Wångdahl, Janne Agerholm

Toward Equitable Healthcare – Health Literacy Responsiveness in Hospitals

Hanne Sørberg Finbråten, Peder Ringnes Berrefjord, Øystein Guttersrud, Le Christopher

Implementing a Health Literacy Strategy in Digital Hospital Environments: the M-POHL OHL-Hos Framework

Jan Dudra, Alena Steflova, Ladislav Ripa, Christa Straßmayr, Diane Levin-Zamir, Petr Struk

01.04 Inclusive and needs-based approaches to health equity

Venue: The Round Bar (Runda baren)

Chair: Lisa Gugglberger

Mobilising non-medical community actors to prevent childhood obesity in deprived urban areas: a whole-system territorial approach in Lyon, France

Lucia Rodriguez-Borlado Salazar, Asma Fares, Virginie Wautot, Philippe Michel

Improving health literacy among Bangladeshi type 2 diabetes adults through a culturally sensitive approach in Italy

Clara Salvatori, Roberta Papa, Massimiliano Petrelli, Maria Ambra Iezzi, Giulia Franceschini, Katuscia Di Biagio, Giuseppe Rupelli, Marco Pompili, Gabriele Ricciarelli, Ludovica Zuccarini

Health Equity Under Pressure: System-Level Barriers Faced by Migrants, Indigenous Peoples, Women, LGBTQI+ Individuals and Persons with Disabilities During COVID-19

Susan Bartels, Amanda Collier, Jodie Pritchard, Heather Aldersey, Elizabeth Gallardo

Promoting Health Literacy and Strengthening Medical Autonomy Through Tiered Life Education for Adults With Intellectual Disabilities and Their Care Networks

Chih-Ting Tseng, Pei-Jun Ren

Developing and Evaluating Non-invasive Healthcare Technologies for Socioeconomically Disadvantaged Areas

Stefan Cirovic, Vivek Vivek Chaturvedi, Rathi Ramji, Margareta Rämngård

Medical Services in Remote Area to Achieve Health Equity and Sustainability

Yu-Wen Yang, Shih-Min Lai, Ming-Yuan Tsai

O1.05 Health promotion for children and youth

Venue: Slagt 2

Chair: Helena Strevens

Building a Comprehensive Youth-Friendly Healthcare Ecosystem: A National University Hospital's Experience in Implementing WHO Global Standards.

Chyi-Feng Jan

The Baby Friendly Hospital Initiative

Kergi Leitgeb

Collaboration on the Health of Children and Youth in Northern Sweden

Johannes Dock, Kristina Lindvall, Sofia Elwer

BarnSäkert – From Pilot to Policy: Implementing the Safe Environment for Every Kid (SEEK) Model to Promote health in Children in Region Skåne

Mariette Derwig, Emma Nilsson, Malin Skoog, Kristina Anderson

Codesign and Validation of Patient Reported Experience Measures (PREMs) for Children in Australian Hospitals

Leslie White, Valsamma Eapen, Karlen Barr, Sarah Elliott, Lynn McCartney, Claire Treadgold, Dianna Smith-McCue, Anthea Stylianakis

O1.06 SYMPOSIUM of the HPH Task Force on Well-Being of Healthcare Workers: Stronger Together: Reimagining Workforce Well-Being in a Time of Global Crisis

Venue: The North Hall (Norra hallen)

Chair: Cristina Aguzzoli

Will you join me? - How far can health promotion in the workplace go?

Jaekyung Lee, Juyoun Yu, Hyemin Choi, Gieun Jeon, Sol Ahn, Ran Seo, Kyoung Jun Song

Aver Cura di Chi Ci Cura: A Salutogenic Staff Wellbeing Program to Reduce Distress and Strengthen Workforce Resilience

Fabio D'Antoni, Laura Brunelli, Enrico Scarpis

The Wellbeing Kit: Building Resilient Care Systems Through Stress Literacy and Daily Recovery

Cristina Aguzzoli, Pietro Del Giudice, Fabio D'Antoni, Emanuela Testori, Mario Calci

Wellbeing Through Cultural and Nature-Based Activities: Expanding a Health Promotion Model to Include Healthcare Workers

Maria Linderstrom

Catalan HPH Network: Advancing Professional Well-Being through Collaborative Best Practices

Raquel Gutiérrez Grau, Mireia Vicente García, Sílvia Carbonell Palau, Rocío Ibáñez Ávila, M. Àngels Fernández Labrada, Neida Fernández Benages, Anna Jover Moreno, Rosa Maria Simón Pérez, Gemma Navarro Rubio, Dolors Juvinyà Canal, Maribel Arévalo Masero

Empowering healthcare workers: participatory frameworks for sustainable health systems

Sara Calicchia, Roberta Pistagni, Cristina Aguzzoli

How can we discuss Standard 4 to exchange experiences and results according to the principles of accreditation for excellence?

Giacomo Scaioli, Alda Cosola, Giuseppina Viola, Giulio Fornero, Marco Alvich, Maria Mulè, Elisa Sandri, Patrizia Lemma

The Emilia Romagna Region's HPH Network for Personnel Well-being, with a focus on the impact of sex and gender

Amelia Ceci, Maria Teresa Cella

01.07 SYMPOSIUM of the HPH Task Force on Age-friendly Health Care: Strengthening social resilience to population ageing – role of age-friendly hospitals and health services

Venue: The Gallery (Gallerian)

Chair: Shu-Ti Chiou

The Framework for Age-friendly Health Care - Its relation with priority areas of the UN Decade of Healthy Ageing

Shu-Ti Chiou

One standard for all – reviewer guidelines and training to ensure consistent quality in audits for age-friendly health services

Julia Eder, Andreas Ronge-Toloraya, Siegfried Binder, Michaela Drexel, Irene Kloimüller, Birgit Metzler

Strengthening population resilience through integrating ICOPE healthy ageing assessment and intervention into clinical pathways

Ming-Yueh Chou

Comprehensive dementia care in the super-aged community: the Chiayi model in Taiwan

Cheng-Re Chen

Tackling workforce ageing and attrition: experiences in developing an age-friendly healthcare workplace

Yi Lee

01.08 SYMPOSIUM: Rethinking Healthcare: The Role of University Hospitals in Leading Prevention and Digital Transformation

Venue: The Separate (Separaten)

Chair: Oliver Groene

WHO priorities and health-system resilience

Tomas Zapata, World Health Organization

Charité: a blueprint for prevention-oriented university medicine

Antonia Bauer, Charité, Berlin

Karolinska: sustainable models for digital care and hospital-at-home

Anna Sahlström, Karolinska University Hospital

Evidence review and comparative learning

Anna Julia Winkelmann & Kate Polin, European Observatory on Health Systems and Policies

Moderated panel discussion and Q&A

Charité, Karolinska, WHO, European Observatory

13:30-14:15 Mini oral parallel session 1

Venue: see detailed information on the following pages

M1.01 Climate-resilient and environmentally sustainable healthcare

Venue: Slagt 1

Chair: Ming-Nan Lin

Institutionalizing fire resilience: A review of disaster prevention and reduction preparations for hospital environmental safety for a medical center in northern Taiwan

Yen-Jung Huang, Jung-Mei Tsai, Shih-Jung Cheng

Creating Public Value through Collaborative Governance: A Dual-Track Climate Resilience Model for Taiwan's Regional Hospitals

Szu-Yu Chen, Shu-Chin Chang, Cheng-Ting Yen, Chao-Hung Kuo

Integrating ESG, Net-Zero Strategies, and Community-Based Care: A Case Study from a Remote Hospital

Pei-Hung Su, Ting-Fan Chen, Yi-Chun Tsai, Hui-Min Hsieh

Step With Love, Toward a Green Future: An Evaluation of the Effectiveness of a Workplace Health Promotion Program Incorporating ESG Concept

Wen Ku, Sih Hua Chen

Advancing a Smoke-Safe and Sustainable Operating Room: Integrating Surgical Smoke Management, Waste Reduction, and Digital Nursing Documentation in a Tertiary Medical Center

Chun-Chen Lin, Huang-Che Wang, Ya-Fen Chu, Chien-Min Huang

Green Healthcare Evolution: Smart Transformation from Daily Practice to Net Zero

Rhona Chung, Chin-Chi Chang

M1.02 Arts, culture and creative practices in health promotion

Venue: The Vets Chamber (Veterinärskammaren)

Chair: Laura Anton

Arts-Based Support for Adult Cancer Patients: Picture Book Groups as a Pathway to Empowerment and Psychological Anchoring

Pei-Tzu Yen, Ching-Ping Liu, Nyu-Yin Su, Pei-Chi Chen, Hui-Tzu Yeh

The Effectiveness of Nature-Based Yoga Therapy on Workplace Mental Health: A Comparison of Real and Virtual Nature Settings

Chia Jung Hu Hu, Chuan Chuan Huang

Using OSCE in Spiritual Care Training: Experiences and Reflections from a Simulated Evaluation

Ruei-Yi Pan, Keng-Chen Lin, Ya-Li Wu, Chik-Yi Chan, En-Tzu Lin, Ya-Sheng Kuo, Tsyf-Fen Wang, Chia-Ying Hsiao, Lien-Fen Hu, Min-Shu Wang, Chun-Yin O

An Art-Based Support Model for Caregivers: Practice-Based Exploration of Self-Care and Health Promotion

Yang Li Min, Chen Ju Lan, Sun Shih Han

Improving Dementia Care with "Museum Social Prescriptions": An Innovative Cross-Sectoral Partnership Model

Hsiu-Chien Chuo, Tingting Chen, Hsina-Yi Chen, Wen-Ling Chang, In-Fun Li

Integrating Creative and Aromatherapy-Based Interventions to Promote Mental Health and Stress Reduction in Healthcare Workers

Yi-Chen Hsieh

Crossing the shadow: Building Children's Resilience Through Narrative in the Face of Illness

Chiara Cipolat Mis, Chiara Fabrici, Viviana Urban, Emanuele Ortu, Nancy Michilin

M1.03 Access to healthcare services and information

Venue: The Theater (Teatern)

Chair: Hanne Tønnesen

From Exam Scores to Patient Empowerment: Repurposing Generative AI for Health Literacy in Nephrology and Nuclear Medicine

Pei-Chun Yeh, Shih-Yi Lin, Chao-Wei Tsai, Chia-Hung Kao, Ying-Yu Hsu, Shu-Woei Ju

Patient Electronic Health Record Accessibility Optimization with root-cause analysis in a Medical Center of Taiwan--A Digital ECGs uploading study

Chung-Chieh Wen, Yu-Fen Chang, Wei-Ting Liu, Chi-Ming Chu, Guei-Rung Chen, Chung-Chi Huang, Ya-Lin Chen

Scientific Risk Assessment for Chronic Diseases – Calculating for Health

Rhona Chung

Enhancing Medical Service Accessibility in Community Day Care Centers through Community-Oriented Primary Care Model

Yi Jyun Lin, Zi Jing Wei

Advance Care Planning in Dialysis Patients: Measuring the Impact of Educational Interventions on Awareness and Attitudes

Shu-Min Yeh, Yu-Ju Lin, Ting-Ting Chang, Hsiao-Min Lin, Chia-Lin Chang

Digital Cognitive Health Assessment Platform: Enhancing Early Detection of Dementia through AI-Driven Screening in both Clinical and Community Settings

Ching-Po Lin, Jung-Chieh Du, Ting-Fang Chiu, Mao-Che Wang, Chih-Hung Wang

M1.04 Health promotion for older adults

Venue: The Round Bar (Runda baren)

Chair: Christiane Fabichler

Sustainable Community Health Literacy Programs to Empower Older Adults in Recognizing Dysphagia and Preparing Texture-Modified Food

Yihuan Tseng, Hsinting Yu

Exercise Intervention to Reduce Fall Incidence Among Residents in a Long-Term Care Facility

Hui Yen Liao, Ju Chuan Kuo

A Multimodal Health Promotion Program Integrating Oral Motor Training, Music-Guided Mindfulness, and AI-assisted Reflective Art for Older Adults: A Qualitative Study in Taiwan

Wen-Hsiu Chen

Efficacy Analysis of a Community-Based Dementia Care Hub Service: Enhancing Quality of Life and Function for Individuals with Early-Stage Dementia

Shu-Chen Lee, Wei-Hsin Huang, Nai-Fang Hu, Pei-Wei Sung

The Effectiveness of Reality Orientation with Errorless Learning Group Intervention in Elderly with Mild Dementia

Chun-Hua Cheng, Ya-Cheng Cheng, Guan-Lin Jhao, Pai-Lin Lee, Frank Huang-Chin Chou

Artificial intelligence-based mental health initiatives for older adults in community care centers: Practice in a large psychiatric hospital in Taiwan

Pei-Ju Cheng, Min-Wei Huang, Nai-Wen Guo, Chun-Mei Wang, Ya-Wen Chou, Guan-Lin Jhao

M1.05 Salutogenic, safe and healthy workplaces and care settings I

Venue: Slagt 2

Chair: Marianne Hochet

How to Build Workforce Resilience in the Post-COVID Workplace: A Sustainable Staff-Engagement Model from Boramae Medical Center

Gieun Jeon, Ran Seo, Jaekyung Lee, Kyoung Jun Song

Organisational and environmental support for person-centred care as a potential mitigating factor for stress of conscience among hospital care staff

Kristoffer Gustavsson, Andreas Fors, Cornelia van Diepen, Malin Axelsson, Monica Bertilsson, Angela Bångsbo, Gunnel Hensing, Qarin Lood

Impact of a Multi-Component Healthy Workplace Strategy on Nurses' Well-Being and Retention: A Medical Center Evaluation Study

Ching Wen Chiu, Shu-Tai Shen Hsiao, Chun-Ming Shih, Hui-Fen Hsiang

An Experience of Implementing Cross-Departmental Quality Improvement Activities to Foster a Positive Patient Safety Culture

Heng-Chia Chang, Chung-Yu Lo, Che-Hsiung Wu, Shu-Mei Lin, Yu-Hsuan Li, Chia-Chi Chiu

Managing moral distress: perspectives from emergency department staff in Stockholm, Sweden - a focus group study

Clara Brune, Martina Gustavsson, Lotta Nylen, Bo Burström, Johan von Schreeb, Ann Liljas

Empowering Counseling Interns in Palliative Care via a Generative AI Virtual Patient Platform

Shin Yi Lin

Small Steps, Big Changes: The "21+21 Day Healthy Living Bonus Challenge" for Weight Management Among Hospital Employees

Yuen-Yuen Lin

M1.06 SYMPOSIUM: Enhancing Organizational Health Literacy in Health Care – Insights from two European Initiatives

Venue: The North Hall (Norra hallen)

Chairs: Christa Straßmayr

Experts' views on enhancing Organizational Health Literacy: results from six European countries

Roberta Bevilacqua

Mapping of Organizational Health Literacy policies, materials, interventions, and networks

Denise Schütze

Feasibility of a two-step Organizational Health Literacy self-assessment process in hospitals

Hanne Sørberg Finbråten

Translation and adaptation of a tool for promoting Organizational Health Literacy in primary care

Josefin Wångdahl

M1.07 SYMPOSIUM: Together for Social Connection Against Involuntary Loneliness, All Ages: From National Mapping – National Strategy to Regional and Local Action in Practice

Venue: The Gallery (Gallerian)

Chair: Anna Unné

M1.08 SYMPOSIUM: Sweden's National Anti-Stigma Initiative on Mental Health: From Government Mandate to a Sustainable Movement

Venue: The Separate (Separaten)

Chair: Conny Allaskog

14:25-15:45 Oral parallel sessions 2

Venue: see detailed information on the following pages

02.01 Arts and culture in health promotion

Venue: Slagt 1

Chair: Kathy Falkenstein-Hagander

Implementing an Art-Based Mental Health Promotion Program for Neurology Nurses in Hospital Practice

Youjin Bae, Ji-Eun Yeon, MinJi Kim, Su-Bin Nam

Co-Creating Empowerment: A Model for Enhancing Well-Being Through Art and Outdoor Activities

Maria Linderstrom

Long-term impact of Arts on Prescription on mental health and sense of coherence: Results from controlled studies of individuals on sick leave

Paula Bergman

"Experiencing Art" ("Att uppleva konst"): A Practice-Based Arts and Health Approach for Healthcare Staff

Ana María Bermeo Ujueta

02.02 Health workforce development and communication skills training

Venue: The Vets Chamber (Veterinärskammaren)

Chair: Margareta Kristenson

The Effectiveness of a Health Literacy Program for Medical Student Clerkship

Yen-Ting Lee, Yu-Chen Chang, Hsiao-Chi Ma, Wei-Hsin Huang, Chi-Wei Lin, Lee-Ching Hwang

From intentions to experience: a Theory of Planned Behavior-based staff-patient assessment of outpatient front-desk micro-interactions in a Taiwanese veterans hospital

Bor-Hwang Kang, Kuo-Chen Tseng, Nain-Feng Chu, Wen-Chen Liang, Ming-Jiu Chiou

Frontline Micro-Interactions at Outpatient Front Desks: Development and Validation of a Patient Experience Scale Across Multiple Clinics in a Health Promoting Hospital

Kuo-Chen Tseng, Nain-Feng Chu, Bor-Hwang Kang, Wen-Chen Liang, Ming-Jiu Chiou

Health Literacy Support as Organizational Practice: Learning and Sustaining the Teach-Back Method in Acute Care

Emelie Mälstam, Lena von Koch, Sebastian Lindholm

Voices of Care: Sustainable Integration of Patient Centred Communication in Austrian Healthcare

Karina Nestlang, Caroline Culen

Digital health literacy among health professionals in Austria: from personal skills to patient support

Robert Griebler, Denise Schütze, Christa Straßmayr, Thomas Link

O2.03 Salutogenic, safe and healthy workplaces and workforce resilience

Venue: The Theater (Teatern)

Chair: Raquel Gutiérrez Grau

Building a Health-Promoting Culture in Uniformed Services: A Participatory Approach to Workforce Well-being in Singapore

Clive Tan, Amanda Ong, QingWen Tan

Sustainable organisations promote work ability of their employees throughout the entire working life

Irene Kloimueller

Implementing a peer support system in Viennas public hospitals and nursing homes

Katharina Butschek

The Impact of Daily Stretching on Neck-Shoulder Discomfort and Quality of Life in Sedentary Workers: A Systematic Review and Practical Recommendations

Yu-Chau Lin, Yi-Hong Li

Enhancing Nurse Resilience and Psychological Support: An Action Model in a Newly Established Hospital

Chia-Lun Lee, Ya-Hsiu Huang, Wan-Ju Lo, I-Chien Chen, Chia-Ling Hung

O2.04 Health equity and governance

Venue: The Round Bar (Runda baren)

Chair: Shu-Ti Chiou

Establishing a Systematic Health Equity Data Initiative (HEDI) at a Tertiary-level Paediatric Hospital in Toronto, Canada

Rachel Solomon, Zelia Da Silva, Ashna Jassi, Elena Blackwood, Kayla Jenkins, Michelle Ennis, Shira Gol, Eric Hewitson

Women's health among medical staff at Lyon University Hospital (France): a qualitative study of sexual and reproductive health and general health

Célia Gonnard, Charlotte Bauquier, Sander de Souza

Integrating HPH Standard 3 into Clinical Networks and Diagnostic, Therapeutic and Care Pathways to Strengthen Health Literacy, Equity, and Resilience

Mario Calci, Roberta Chiandetti, Emanuela Testori, Giacomo Cigui, Cristian Sant, Giulio Menegazzi, Sara Di Fiore, Cristina Aguzzoli

Crisis Governance in the Face of Emerging Infectious Diseases in Taiwan: Lessons from SARS and COVID-19

Ching-Cheng Lin

Dying to be Dignified

Yerin Chung

The Impact of Public and Private Health Spending on Healthy Life Expectancy: A Dynamic Panel Analysis of 87 Countries from 2000 to 2019

Heriberto Marín-Centeno, Elba C. Díaz-Toro, Ralph Rivera-Gutierrez

O2.05 Workforce practice, communication and clinical interaction

Venue: Slagt 2

Chair: Elisabeth Nöhammer

Co-Creation of Care: A Transdisciplinary Research Project to Strengthen Patient and Staff Wellbeing

Sylvia Broetje, Florian Liberatore, Andrea Glaessel, Anna Martin-Niedecken, Heidi Petry, Georg F. Bauer

PflegeKRAFT – gender- and culture-sensitive workplace health promotion for nursing staff

The Effect of Workplace Attachment and Work-related life quality on Intention to Stay of Hospital Nurses: A Generation Study

Ying-Ling Kuo, I-Ju Chen

Three-perspective assessment of outpatient front-desk micro-interactions in a southern Taiwan medical centre

Nain-Feng Chu, Kuo-Cheng Tseng, Bor-Hwang Kang, Wen-Chen Liang, Ming-Jiu Chiou

02.06 WORKSHOP of the GNTH: Beyond the Smoke Break – Rethinking Pause Culture in Nursing

Venue: The North Hall (Norra hallen)

Chairs: Susann Koalick, Jennifer Düing

02.07 ROUND TABLE: Promoting Health in Hospitals Through Climate Action: Leveraging Synergies, Transforming Structures

Venue: The Gallery (Gallerian)

Chair: Claudia Lichtblau

Promoting Health in Hospitals Through Climate Action - Learnings from the HPH network

Ming-Nan Lin

Net-Zero Healthcare Strategy: The Austrian Way

Ruperta Lichtenecker

Active Mobility as a Driver of Health Promotion

Sabrina Vidovic

Serving Change: Implementing the Planetary Health Diet in a Regional Hospital in Austria

Alexander Thomasser

02.08 WORKSHOP: What will it take to accelerate a responsible Digital Health Transformation in our health systems? A creative working workshop to turn system challenges into capacity to create real impact

Venue: The Separate (Separaten)

Chair: Jolanda van Vliet

16:15-17:45 Plenary 3: Anxiety for the Future, Mental Health and Stress Related Disorders: From Concern to Action

Venue: The Theater (Teatern)

Chair: Elke Miedema

The role of design for empathy, inclusion and participation

Andrea Möhn, AM_A Andrea Möhn Architects, Rotterdam, The Netherlands

Societal pressures and mental health – living with uncertainties in a fragmented world

Ledia Lazëri, Regional Adviser for Mental Health at the WHO Regional Office for Europe

Lived Experience as a Resource: Strengthening Mental Health Support and Suicide Prevention Through Civil Society Innovation

Rickard Bracken, Mind, Sweden

Friday, May 22, 2026

08:30-09:30 Plenary 4: Digital Innovation, Ethical Use of Technology and their Significance for Health Promotion

Venue: The Theater (Teatern)

Chair: Oliver Gröne

Strengthening Digital Health Literacy to Address Health Misinformation

Robert Griebler, Austrian National Public Health Institute (GÖG)

Public Health Digitalization in Europe: Room and Scope for AI to Support Public Health Values - the case of infectious diseases

Anna Odone, The University of Pavia, Italy

08:30-15:30 Poster sessions 2

Venue: Restauranggängen + Hantverksgängen

P2.01 Health-literate healthcare organizations

175 Exploring Patient Satisfaction with Cancer Care Services Using the National Health Insurance Survey in Taiwan

Hsiu-Feng Kuo, Jie-Ying Chen, Chin-Hung Tsai, Jia-Jia Chou, Ya-Cih Wang

177 Elevating Organizational Health Literacy: A Core Driver for Health-Promoting Hospitals

Kun Rong Li, Yi Hua Lin

178 Effectiveness of an Interdisciplinary Health Literacy Intervention for Metabolic Syndrome in a Healthcare Setting

Shu-Ling Hsu, Yu-Ya Syu, Wen-Tsung Huang

180 Is the Making Every Contact (MECC) approach in health settings effective in terms of health outcomes?

Sander de Souza, Léo Heran, Philippe Michel

181 Optimizing Bilingual Healthcare Environments in Taiwan: Insights from International Experiences

Chi-Chun Su

183 Person-Centred Care and Health Literacy: A Scoping Review of the Concepts' Attributes and Interrelationships

Charlotte Sylwander, Ellen Landgren, Josefin Wångdahl, Ingrid Larsson

P2.02 Digital innovation and ethical technology use

186 Application of Smart Drug Picking Guidance System to Boost Patient Medication Safety

Yi-Ju Chen, Ya-Chih Ting, Ling-May Li, Yi-Hsin Tsai, San-Chi Lin

187 AI-assisted Automation of Core Measurement Indicators: Improving Efficiency and Accuracy in Healthcare Quality Monitoring

Jie-Ying Chen, Chin-Hung Tsai, Yueh-Hui Tsai, You-Shan Lin, Hsiu Feng Kuo, Chia-Ling Chiu

190 Improving Glycemic Control and Dietary Behaviors in Older Adults With Type 2 Diabetes Through an Mobile Health Intervention

Chih-Kai Yang, Huang-Yu Chang, Ling-May Li, Yi-Hsin Tsai, San-Chi Lin

191 Evaluating the Utility of the Digital Cognitive Assessment Tool CogMate™ Compared to the Traditional MMSE in Community-Dwelling Older Adults

Hui-Chu Chuang, Yu-Jung Chang, Shang-Chien Huang, Yi-Wen Chiu

- 195 AI-Assisted Automation in Rheumatology Case Management: Practical Experience in Smart Hospital Transformation**
